

**Context is the contest.**

Conversation is communication;  
Misheard or misunderstood.  
Who's to say it's  
Write or wrong?  
It's all in here...  
At least, so we hear.  
Slander and libel  
But I'm not liable.  
Play on words,  
Play with what you heard.  
Irrevocable once spoken;  
Make us want to choke then.  
Honesty is a cache.  
Penny for your thoughts?  
Spin on a dime.  
I'll donate my two sense.  
So charitable with words,  
But let's talk cash.  
See? Change really does make cents.  
Sick on the aftermath.  
God, how I hate math.  
Two and too isn't four.  
And X and Y aren't numbers.  
Rhyme in couplets.  
Such a cute couple; let's  
Stumble upon a crime scene  
Or a crafty rhyme scheme.  
Right word. Word play.  
Play fight. Playwright.  
A sentence, yet a lyric,  
It's all in how you hear it.

You can't read between the lines  
It's only single spaced.
